### Practice Communication Policy

Your call will be answered politely and efficiently. All telephone messages will be passed on to the Doctor or Nurse who will respond according to the urgency as determined by the Doctor or Nurse. If you have a query or message for the doctor, staff will relay it to the doctor via an internal messaging system. Staff will only interrupt a consultation if the problem is life-threatening.

Emails may be sent to [info@prasadfamilypractice.com.au](mailto:info@prasadfamilypractice.com.au) but may not be read the same day so patients are advised to phone for urgent issues.
